CAREER OBJECTIVE

Passionate student committed to enhancing and exploring personal growth, seeking to contribute to a visionary organization's success. Leveraging a dynamic skill set and drive for excellence in my environment.

PROJECTS - GitHub

RAILWAY RESERVATION | Self Project | [GithubRepo](#)

Developed a Java-based Railway Reservation System to automate the process of booking train tickets. The system allows users to search trains, check availability, book tickets, cancel reservations, and view passenger details. The project aims to enhance productivity and facilitate efficient information retrieval for college students.

TechStack: **Java, MySQL, OOPS, JDBC, Git, GitHub, Windows, Linux.**

Lighting Table Lamp | Hardware Project

Designed and developed an eco-friendly table lamp using a waste plastic water bottle as the main body. The Project aimed to promote recycling and sustainability by converting household waste into a functional and aesthetic product. The lamp was powered by a simple electrical circuit with an LED bulb, ensuring low power consumption and cost-effectiveness.

Digital Clock | Self Project | [GithubRepo](#)

Designed and developed a sleek, real-time digital clock application using Python's **Tkinter** library. This beginner-friendly GUI project demonstrates dynamic time display by integrating the **time module** with a responsive interface. The clock updates every second, showcasing hours, minutes, and seconds in a clean layout. Through this project, I strengthened my understanding of event-driven programming, GUI design principles, and modular coding practices.

TechStack: **Python, Tkinter, time module**

EDUCATION

Year	Degree/Certification	University/School	CGPA/%
2022 - 2026	B.E - Computer Science and Engineering	Nandha college of technology (Anna University aided)	7.7 CGPA
2020 - 2022	HSC	TNPL Matric Hr. Sec. School	74%
2019 - 2020	SSLC	Government Girls Hr. Sec. School	65%

CERTIFICATIONS

NPTEL - Internet of things 63% [Certificate link](#)

Udemy- Earned a certificate under completion at Basics of **MySQL**. [Certificate link](#)

NPTEL - Cloud computing 54% [Certificate link](#)

HackerRank-CSS(Basic) [Certificate link](#)

ACHIEVEMENTS & PARTICIPATIONS

Won 3rd prize for **Table Lamp** from hardware project during First year Innovation Day. [Certificate link](#)

Participated in AR/VR Workshop as part of Nexovate'24, organized by Kongu Engineering College, March 2024[Certificate link](#)
